The Director of Employment & Training
Govt. ITI Mallepally Campus, Vijaynagar Colony, Mallepally,
Hyderabad, Telangana -5000057.

1. ATC's & ITI's:

a. The Advanced Technology Centers (ATC's) & Industrial Training Institutes (ITI's) were established to ensure a steady flow of skilled workers in different trades for the domestic industry, to raise the industrial production quantitatively and qualitatively by systematic training, to reduce unemployment among the educated youth by providing the employable training and to cultivate & nurture a technical and industrial attitude in the minds of younger generation.

b. The Advanced Technology Centers & Industrial Training Institutes play a vital role in the economy of the country especially in terms of providing skilled manpower, to cater the needs of the industry introducing the all new technology, such as EV, Robotics etc.

c. These Institutes impart Vocational Training in various Engineering and Non - Engineering Trades under Craftsmen Training Scheme (CTS) to produce skilled manpower required for industries. The syllabus of various trades are formulated by Director General of Training (DGT), New Delhi under Ministry of Skill Development and Entrepreneurship (MSDE), Government of India.

d. In Telangana State, at present there are 65 Advanced Technology Centers (ATC's), 63 Government ITI's and 230 Private ITI's for which admissions are being notified for imparting training in various Trades affiliated to National Council for Vocational Training (NCVT) under CTS for the academic session 2026-2027. ***(Please refer to Annexure-I for the list of ATC's / ITI's.)***

e. In the State of Telangana training is being imparted in 47 trades in which 6 trades in ATC's and 41 trades in ITI's.

i) In ATC's 06 trades (03) are 02 year courses and (03) are 01 year courses

ii) In CTS trades, out of 41 trades (32) are Engineering trades & (15) are Non-Engineering trades. Out of these trades (21) trades are 02 year duration & 26 trades are of 01 year duration. The entry qualification is 10th pass, For few trades the

minimum qualification is 8th Passed. ***(Please refer to Annexure-II for details of Trades duration, educational qualification etc.)***

f. During the period of training, about 70% of the training period is allotted to Practical training and the rest to Theoretical training relating to Trade Theory, Workshop Calculation & Science, Engineering Drawing, Employability Skills, Library and Extra Curricular Activities etc.

2. Craftsmen Training Scheme (CTS):

The Government of India introduced the Craftsmen Training Scheme (CTS) in 1950 to ensure a steady flow of skilled workers in different trades for the domestic industry. The objectives of CTS are..

- i. To equip the human resource with appropriate skills required in the industries and other service sectors.
- ii. To make the youth more productive by providing them employable skills to achieve wage benefits as well as self-employment.
- iii. To produce highly skilled craftsmen for the industry.
- iv. To ensure steady flow of skilled workers for industrial / Service sectors.
- v. To raise the quality and quantity of industrial production by systematic training of potential workers.

3. National Council for Vocational Training (NCVT):

- a. The Ministry of Labour & Employment has constituted a tripartite body at the National level namely National Council for Vocational Training (NCVT) to advise the Union Government on Training Policies, Norms and Standards, Trade Testing and Certification.
- b. Now Vocational Training is under the control of Director General of Training (DGT), New Delhi, Ministry of Skill development and Entrepreneurship, Government of India.
- c. The Candidates, admitted in the trades which are affiliated to NCVT, will be issued a National Trade Certificate in concerned Trades, after passing the All India Trade Test (AITT).

4. Dual System of Training (DST):

- a. The Dual System of Training (DST) is an amalgamation of Theoretical training imparted through the ITI's and part of the Practical training imparted through the Industry. DST helps enable Industry linkages and provide hands on experience to students on industries latest/ updated technologies.
- b. The ITI / Industry have flexibility in deciding duration of training of ITI / Industry and blocks over the entire training period within this range.
- c. The availability of the DST scheme depends upon the linkage with the Industry.

Those who have already had an active admission in previous or present year in ITI's are not allowed for admission again until the previous course is completed and results declared.
3. If any one has taken admission, who are already having admission, their fresh admission will be deemed to be cancelled. The concerned ITI's Principals / Management must verify this with the candidates before confirming admission.
4. Requirements for submission of ITI Application online: MobileNumber, Email ID, Aadhar Number, 10thclass, Memo/equivalent certificate, Caste Certificate, Bonafides / Study from class I to X, If there are other certificates EWS / PH / Ex-Ser / Orphan / BOCW etc., Clear / readable / Legible scanned copies of all relevant certificates, Photograph and Signature are to be uploaded.
5. Applicants should register only with their own unique operational mobile number & email ID and these should not have been used for ITI admission / short term courses in any Skill India courses which are presently in continuation /earlier courses which are incomplete. The mobile number being used for ITI applications needs to be an Aadhaar registered number.

6. Applicants will be required to use the registered mobile number as the login ID and to receive OTPs linked to the login account throughout the course, so the mobile number now being registered for ITI application should be kept active till completion of course and declaration of result.
7. Once admission is confirmed, no modification / change of Mobile number and Email ID are allowed. Hence, the candidate should use their own Mail ID while filling the Application as it will not be able to retrieve password and to solve any other login issues.
8. Applicants should fill the correct aadhar number and ensure that the details on aadhar card should match with their 10th class Memo or equivalent certificate. If there are any discrepancies between the two documents the candidate is instructed to rectify the details on aadhar card as per SSC or its equivalent certificate before the cut-off date of admission.
9. The applicant will have to do eKYC through Aadhaar OTP for the trainee verification process, so make sure that the mobile number is linked with Aadhaar. If the mobile number is not linked, then it should be done immediately. The Aadhaar linked mobile number and registered mobile number used for filling up the application need not be the same.
10. Applicants should fill the details which are the same as per the 10th Class Memo or equivalent certificates and other supporting certificates without any spelling mistakes.
11. If any applicant does not have the mother's name in the SSC memo, they should fill the mother's name based on other available documents or preferably as per her Aadhar card, & the copy of Xerox should be enclosed.
12. The applicant should carefully fill the correct Marks and Date of Birth as per the SSC memo or equivalent certificates and should be the same in the Aadhar card. If any discrepancies are found may lead to rejection of the application at any stage.
13. Applicants must upload all the relevant documents for proof of filled information and which should be scanned from the original certificates only and should be in proper A4 size and must be clearly visible for application verification.

14. If any documents uploaded from scanned Xerox copies, not of the correct size, details not clearly visible, not being a relevant document etc., there will be a chance for rejection of application. (For Scanning of document mobile scanning should be avoided, for clarity purpose)
15. The applicant should submit the options for securing the seat into ATC's and ITI's District wise, ITI wise and Trade wise in preferential order whichever he/she is interested. The applicant can apply to any number of districts in Telangana state and there is no limit to the number of options so it is better to submit as many options as per his convenience and interest so that, the chances of acquiring a seat in ITI's will be increased.
16. All successfully submitted applications will be eligible for verification through an online system based on the documents uploaded by the applicant and approved applications only will be eligible for Merit generation and seat allotment.
17. The information, whether the application is Approved/ Rejected will be available in the applicant's login time to time. In case the application is rejected, the applicants can contact the help desk/nearest ITI for further action.
18. Seats are allotted purely through an online system on the basis of applicant's Merit, Reservation and Options submission. The Merit for applicants will be allotted on the basis of SSC / 10th or its equivalent marks secured in qualified certificate and no entrance exam is conducted for ITI admission.
19. Seat allotment and any other information to the Applicant will be sent through the SMS, Email and Website and the information will also be available in the applicant's login.
20. However, mere applying does not entitle any right for the applicant to be considered for Admission unless they satisfy all other conditions prescribed for the purpose. At the end of the admission process, no request for change of Trade / ITI is permissible. However, in the subsequent phase of admission, the applicant/ candidate may submit revised options to slide into other ITI's or trades in the same ITI.
21. The seat allotted Applicants should login to download the Provisional

allotment order and should report at the seat allotted ITI with Provisional allotment order along with all original certificates as per the date and time mentioned in the order. If not reported in time the allotted seat will be cancelled automatically.

22. After reporting, Admission slip will be generated by the respective ITI and issued to the applicant for confirmation of admission as **Trainee**. The ITIs must take utmost care during reporting for admission, The trainee Mobile number, Email ID, Aadhar number, Trade, Shift, Unit which are important parameters for admission and should be verified at multiple levels with trainees to ensure accuracy.

23. After completion of the first Phase seats allocation, if any vacancies exist due to not being reported, then there will be a sliding process for allocation of vacant seats based on the merit and fresh options submitted by the candidates who have already got seat allotment in the previous phases of admission and reported at ITI, depending on the revised merit list along with fresh applications in next/subsequent Phases.

24. This sliding facility is available only for trainees who have already reported and fresh options submitted. If a new seat is not allotted in the next Phase, then the old seat allotment will be continued the same. If new seat is allotted, the old seat will be automatically cancelled. If the trainee does not report at new allotted ITI or trade, he will loose both the seats.

25. If any issues related to Trainee verification and PRN generation, trainees should contact the respective ITI Principals and the ITI Principal should coordinate with the State Directorate to ensure all admitted trainees are migrated, verified and PRN generated for SIDH Portal within the schedule. DGT will not consider any submissions outside the given time frame and any modification, addition and deletion of records is strictly not allowed. If due to various reasons the PRN is not generated the trainee has to forego the admission and the concerned ITI Principal will be held responsible.

26. Each trainee must complete the 3 step trainee verification process through the concerned ITI to get **Permanent Registration Number (PRN)**i.e.. Step-1: Mobile Verification with registered mobile OTP,

27. Step-2: Trainee Photo Capture and Step-3: Aadhar eKYC with Aadhar linked mobile OTP.
